

Strike Bulletin: Ending Poverty Wages at UC

Day 1: July 14, 2008

On STRIKE!
Thousands of workers walked off the job today to stand up against poverty wages and show UC we are *not backing down until we get a fair contract!*

WE HAVE TREMENDOUS SUPPORT!

Hundreds of community, religious and political leaders took a stand with us and walked the picket line.

Sen. Leland Yee walked the picket line with workers at UCSF and UCD Med Centers. Sen. Yee declared that he would not stand for unfair discipline of workers, and he would immediately call for hearings in Sacramento if even one employee was disciplined unjustly.

Top stories in newspapers, TV and radio helped us gain public support by exposing UC's misplaced priorities!

STAYING STRONG!

UC has tried everything they can think of to scare us and keep us from fighting—but today we showed them we won't be bullied.

¡SI SE PUEDE!
