

Strike Bulletin: Ending Poverty Wages at UC

Day 5: July 18, 2008

STRIKE HAS POWERFUL IMPACT AND IS WILDLY SUCCESSFUL!

Our strike showed UC that they shouldn't take us for granted—

Shuttle services were greatly reduced, buildings were closed, construction delayed, trash piled up, food service was decreased, managers had to do our jobs—

Without us there, they really saw how important we are to making UC run!

STRIKE GAINS AMAZING SUPPORT FROM COMMUNITY & ELECTED OFFICIALS!

Our strike inspired community member and religious leaders to step up and act on our behalf in remarkable ways—donations, support on the line, calling UC executives and much more!

Elected officials in the Senate and Assembly in Sacramento told UC in clear terms:

ENOUGH IS ENOUGH, END POVERTY WAGES AT UC, NOW!

SI SE PUEDE!

Our strike showed UC executives our union's strength, power and determination to win a fair contract! But our fight doesn't end here—we will keep fighting together until we get the contract we deserve! Contact your MAT leader for information on our next actions!
